

The Royal Review

August 17, 2023

WELCOME!

THANK YOU FOR CHOOSING ST. ELIZABETH CATHOLIC SCHOOL FOR YOUR EDUCATIONAL AND FAITH FILLED JOURNEY.

Dear Lord,

As our students begin a new school year,
I pray that you will keep them in your care.

Send your Spirit to open their minds
to all that is true and beautiful and good

Help them to see the gifts and talents
you have given them and to use them well.
Help them to grow in knowledge and wisdom.

Help them to be kind to others
and lead others to be kind to them.

Give their teachers patience and understanding
and help them teach what is just and true.

Send your angels to guide and guard our
children and to keep them from all harm.

Open their young hearts to your presence
and enfold them in your peace and protection.

Hold them in the palm of your hand
and bring them home safely at day's end.

Amen.

Job Search Training Session Series

at 2001 Delmar Avenue

Secretary of State and State Librarian Jesse White awarded nearly \$6 million in pandemic recovery grants to libraries focused on responding directly to the COVID-19 pandemic by modifying services, transforming spaces and developing resources for their local recovering workforce. Funding 211 academic, school, special and public libraries, all of which received grants ranging from \$5,000 to over \$1 million. A combination of funding sources provided through the federal American Rescue Plan Act (ARPA) and Library Services and Technology Act (LSTA), both from the Institute of Museum and Library Services, and state technology funds were used to maximize the statewide impact.

SMRLD is the proud recipient of \$50,000 of funding from the Illinois State Library’s (ISL) Bouncing Back from the Pandemic grant. As a part of our project, **Building a Job Ready Workforce**, expert Frank Alaniz will be presenting a series of job search training sessions.

StoryWalk® at Worthen Park

SMRLD & Granite City Park District have partnered to bring the StoryWalk® to Worthen Park, offering a free activity that combines nature, physical activity, and literacy. Participants can follow pages of a picture book laid out on a trail and enjoy activities focused on early literacy skills such as reading, singing, and movement. The StoryWalk® is available to all residents during the park's open hours.
