Fourth Sunday of Lent ♦ March 15, 2026

REJOICE!

The Fourth Sunday of Lent is traditionally known as Laetare Sunday—from the Latin word meaning ‘Rejoice.’ The Church invites us to pause mid-way through our Lenten journey and look forward to the joy of the Resurrection. While our fasting, introspective prayer and almsgiving continues, today is a powerful reminder that our path is ultimately one of light, hope, and the profound love of a God who always calls us home. May this ‘Sunday of Joy’ refresh your spirit as we draw closer to the mysteries of Holy Week and Easter.

Strong in Faith, Building for Tomorrow

CAPITAL CAMPAIGN UPDATE

Thank you to all who have pledged or contributed to our Capital Campaign. While we continue to look at new fundraisers where the community can participate, ultimately this is our church, our school and our campus. We need YOU praying for our success, talking up the needs of our parish, and pledging and giving, maybe even beyond your comfort level. If you do not currently tithe 10% of your gross income, this would be an excellent opportunity to ease into it through monthly payments.

Thus far, we are happy to report that we have received a total of \$306,991.00 pledged and collected \$189,132.00 in actual donations. We have a long way to go, but we are confident in our parish!

There is an assessment amount that we are required to pass along to the diocese. These funds will help to maintain and improve exterior conditions at the Cathedral of the Immaculate Conception as well as maintenance needs at the Catholic Pastoral Center and Villa Maria Conference Center in Springfield. Our assessment amount for this campaign is \$75,456. This amount will take care of our responsibility and is a ONE TIME payment to the diocese.

Please do not pass up the opportunity to share a pledge card with your family or friends, some of whom may be alumni of our school or former parishioners. We also have a container in the gathering space for spare change or to drop contributions. Every little bit helps.

Please continue praying and discerning what you are being called to give and make your pledge soon. There are plenty of cards in the gathering space. May God bless you always.

St. Elizabeth, pray for us.

SECOND TIME AROUND , By Cindy Rongey

January 27, I left for my second missionary trip to Uganda. The second time around was different, as anyone would expect, but just as amazing and even more fulfilling. The trip is still long and at times uncomfortable. Driving to Chicago to board a plane that flies ten hours to Istanbul, Turkey. Changing planes in Turkey and then flying to Rwanda for seven hours where we stay on the plane and then fly 45 minutes to Entebbe, Uganda. That is followed by another long car ride to get to our first destination. But then Jesus and the apostles didn't have it easy either!

I was so surprised and amazed to find that without any of "our" money, St Augustine School has purchased a small plot of additional land for building the new school. Parents had joined together to hand dig trenches for foundation for the first building which will be four classrooms and flush toilets. I am so proud of them!!! A meeting with the architect, diocesan representative, surveyor, PTA president, headmaster (principal), newly elected mayor, Father and Amy and me was held on site to determine the new layout of buildings accommodating the larger plot of land. It took about an hour for everyone to come to agreement on the best way to arrange things. An hour!! Can that many people in the USA agree on anything in an hour?? The new plan is for four buildings. Two buildings will each have four classrooms and toilets. One building will have two classrooms, and the fourth building will have the last four classrooms as well as administration buildings. Old classrooms will need to be torn down when the fourth building is built. But by that time, they will be using ten new classrooms.

The immediate contribution we made this time was to paint seven new chalkboards for grades 1-7. One parent and I painted two coats of the black paint in one afternoon and left them to dry and have frames built. Two days later, after we had left the village, they hung the new boards and are already using them.

They also dug a well, bought a pump and a water tank. They now have running water on the school property. That water will be pumped to the new flush toilets in the new school building. I also had received 500 Miraculous Medals from the shrine in Perryville, MO and they were distributed to the students. Some of the students were already wearing them the very next day.

The people of Father's village were welcoming and told me they were glad to have me return. Everyone, and I mean everyone, asked about Dennis and when they might see him again. The children were anxious to touch the two white women and feel that our skin and hair is softer than theirs. Like most young children, they love hugs. I do too!!

I had the opportunity to attend four Masses while in Uganda. Three of them were in the local language. I could understand about three words: Amen, Alleluia, and Jesus Christ. But no matter. In the beauty of our Catholic faith, the Mass is the same order and same words everywhere and I could easily follow along to know when they were praying each prayer. I also had the assurance that Jesus would come into the host and wine, Body and Blood, Soul, and Divinity, no matter what I did or didn't understand.

The music at the Masses, even the one in English is in Ugandan traditional style. There is singing and clapping and "dancing." Most of their dancing is swaying to the beat of the music while clapping. Occasionally rehearsed dancers come forward to perform for the Lord. Because dancing is such an integral part of their culture--and not highly sexualized as it is in the west--the Vatican allows for dancing in African Masses. Yes, I clapped and danced along, even though at first it just felt wrong. It is beautiful to see people worshipping the Lord with their whole being.

The greatest honor was bestowed on me with the head master asked me to be godmother to his six months old daughter, Antorine Kiliam. I can't believe they chose me--an old, white woman who lives on the other side of the world-- when they have their entire family and community right there. We had hoped for Fr. Alfred to baptize her while we were there, but as the days passed so quickly, we just couldn't make it happen. So, baptism will take place with a proxy godmother. Please add my new goddaughter to your prayers.

Father Godwin's family hosted us for lunch one day. His mother cooked delicious Tilapia fish and chicken for us and the family. His brother, Leo, hosted us at the table, and they sent us off with fresh fruit and other refreshments for our journey. We assured them that their son/brother is welcome in our parish and loved.

As you might recall when we were in Uganda last year, the pastor's car had recently been stolen. I am happy to tell you that someone has loaned him a car until he can buy one of his own. He asked me to hold a fund raiser when I got back to help him with this purchase. He has a new assistant, Father Albert. Father Albert is young and enthusiastic. He was ordained in 2025. He will begin weekly Masses for the students at the school we are helping. Together the two priests serve the people of 27 churches.

We were also welcomed by the Poor Clare sisters when we stayed in their guest house for one night. They asked about Dennis and his possible future return to Uganda. The sisters had the pump for their well stolen this year and were forced to pay for "city water". Thankfully, a donor replaced the pump for them. Additionally, some of their chickens were stolen by an animal. Security measures have been put in place to stop both thieves from returning.

It is so hard to say good bye and leave when our visit was so short. We kept talking about needing another week. And yet, when I arrived back in Granite City and at St. Elizabeth's I am so glad to be home.

More about more ways to give time, talent, & treasure at stelizabethgc.org/stewardship

"Not as man sees does God see, because man sees the appearance, but the Lord looks into the heart." 1 Samuel 16:7

How often do we invest our time, talent and treasure in creating an appearance that does not matter at all to God? We strive to impress with our clothing, home, career, possessions, car and other marks of distinction. But none of these illusions of greatness will impress God. Instead, He will look into our hearts to see how much we loved Him, how much we loved others and how we showed that love by the way we used our time, talent and treasure here on earth.

My Parish Prayer Almighty God, My parish is composed of people like me. I help make it what it is. It will be friendly if I am. It will be holy if I am. Its pews will be filled if I help fill them. It will do great work if I work. It will be prayerful if I pray. It will make generous gifts to many causes if I am a generous giver. It will bring other people into its worship if I invite and bring them. It will be a parish family of loyalty and love, of fearlessness and faith, and of compassion, charity, and mercy if I - who make it what it is - am filled with these same qualities. Therefore, with the help of God, I will dedicate myself to the task of being all the things I want my parish to be. Bless my journey Lord God, that I might follow Jesus and build the Church for your glory. Amen.
